A Modern, American Orthodox Pastor

A Modern, American Orthodox Pastor

The Homilies of
Father William Olnhausen

Bishop MARK writes: "Without reservation,
I recommend this wonderful collection of homilies."

- What are the qualities of "the best priest" in the Antiochian Archdiocese?
- Does St. Nectarios find keys, fill gas tanks and manage travel itineraries?
- Does the icon of St. Nicholas of Myra "speak?"
- How does a pastor equip his people to relate to other Christian and non-Christian faiths?
- What does it mean to "enter eternity" in the Liturgy?
- Can a pastor be vulnerable about his own sins?
- What does one say to a mother and her five young children who just lost their husband and father?
- Does modern psychotherapy have anything to do with Orthodox spirituality?
